The minutes were confirmed as an accurate record and were signed by the chair.

**1002. Any comments arising from the minutes.**

It was noted that Councillor Hefin Jones had attended two meetings at Llanberis and had reported back to the Council that more meetings were to be held including the strengths of our area.

Reference was also made to a letter in Eco'r Wyddfa by Hugh Hughes. The letter stated that Llanrug had grown into a large area and that there were concerns about sewerage in the area. Hefin is attending 'Cyfarfod Gwyrdd' which is being held on 19/7/2022. Dr Robin Parry will be talking about the area's rivers and lakes, Hefin will listen to the presentation, and report back next month.

The Chair suggested that three months of a brief summary of the minutes should be included in the September issue of Eco'r Wyddfa.

Draft Complaints Policy has been produced and the Chair asked for it to be sent to the Clerk and Councillor Phillip Roberts to consider before it is submitted to the full committee.

It was confirmed that two trees had been planted in memory of Brian Jones and Charles Jones. Looking to erect a memorial plaque on both and invite their families to come over to see them.
