**1350. To receive a report by the chair of the Cemetery Committee**

1. During a meeting of the Cemetery sub-committee, 30.7.24, Resolved:

(a) To refer the process of digging new graves to the ICCM for advice and collate information by local undertakers on their systems of digging/preparing new graves. After a long discussion, resolved, at present, not to create a grave digger post which would be employed by the Council.

(b) Issue the tender for the work on the wall of the cemetery

(c) Issue the tender for the additional health and safety work to memorials after completing (b)

(ch) Accept the Biodiversity policy for the cemetery (copy to be issued with the Council and the public)

2. The sub-committee and the Clerk have received the response of the Ombudsman to a complaint regarding grass cutting at the cemetery. The Ombudsman resolved that the appropriate complaint procedure had not been used properly by the complainant and that no evidence had been submitted that the Council had failed to follow its policies or procedures. The Ombudsman reiterated that the Council had clearly explained that the Council was not responsible for the issues noted in the complaint, i.e. cleaning graves.

3. Next meeting of the cemetery sub-committee: 4.9.24 to review the practical work which is required at the cemetery.

**Resolved:** To receive and express thanks for the report

**1351. To approve the recommendation of the Cemetery Committee to award the contract to build a wall around the cemetery.**

**Resolved:** To approve the resolution of the cemetery committee

**1352. Parking issues (Councillor Hefin Jones)**

Reported that a complaint had been received objecting the parking arrangements on the left side of Llanurg Square, the length of Station Road towards the chip shop. Situations have arisen, when cars are coming towards the Square from Co-op, and the cars going towards Station Road have to queue on the main road. It was suggested that the double yellow lines should be extended, they finish now by the former post office.

**Resolved:** To report the issue to Gwynedd Council's Highways Department
